SINGLE PARENTS FAMILY CAMP

JULY 23-25, 2017

Stillwood Camp

FAMILY BUDDIES

Unique to this camp, your family will have the assistance of a family buddy! Buddies will accompany your children during age group time, sit with your family during meals and campfire, and tuck your children into bed before 10pm. Our family buddies are there so that you can enjoy some much needed rest and time to yourselves!

Each child is placed into an age appropriate group to optimize their camp experience! Nursery is available for ages 0-3.

In order to accommodate our families, we may be placing more than one family together.

Stillwood reserves the right to assign accommodations.

TAKE SOME TIME YOUR FAMILY DESERVES IT

Join us for a time of rejuvenation for you, as a parent, and adventure and excitement for the whole family.

Experience nature, community and, ultimately, God. Our staff, worship team and speaker work together to make this weekend one that will go down in memory making history!

As a note, this camp is for single parents and their kids, ages 0-16.
