

WELCOME HOME

When you come to Stillwood, you aren't just another name. You aren't a body to fill a bunk. You are the reason we exist. Stillwood was created 60 years ago so that children and youth could encounter God and have the greatest week of their year. We're not about to stop now.

Stillwood is just such a unique place. Whether it's during chapel and campfire, activities, or meal times in the dining hall, you're constantly making incredible bonds, memories, and friendships that you'll cherish for life. I've been going there for 8 years now and it never disappoints! **-Maxine**

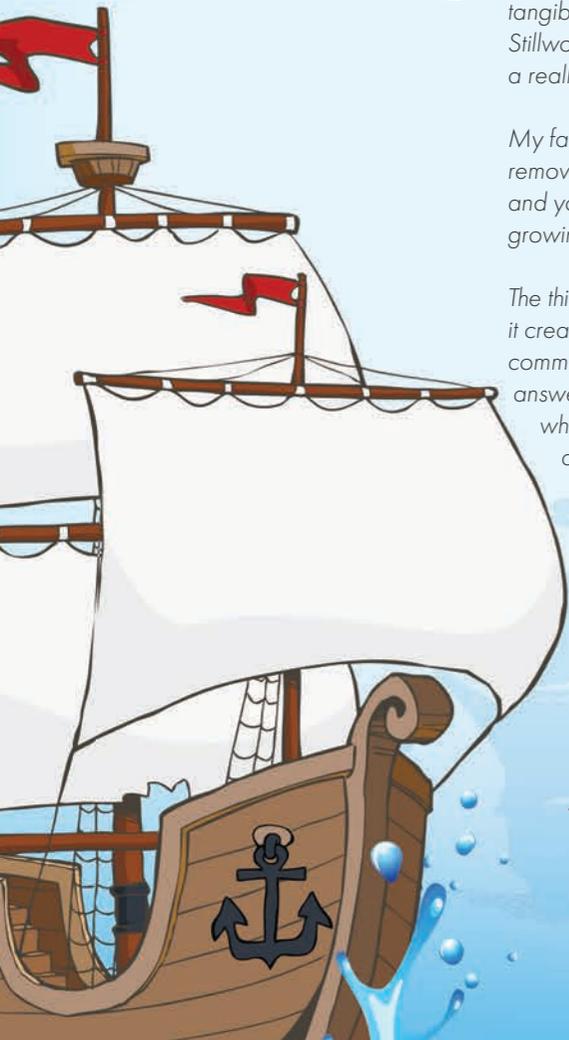

I love that camp is a place where kids can see what tangible Christian living looks like. The community at Stillwood is genuine and real, and as a result, just a really encouraging place to be. **-Macaulay**

My favourite thing about camp is that it is so far removed from typical life that all stresses fall away and you can focus on building relationships and growing. It's just one of my favourite places. **-Jesse**

The thing I love most about camp is the safe space it creates to explore faith in Jesus Christ. The community is filled with people who are ready to answer any questions you have about God and what it means to be a follower of Christ. They are there every step of your walk with Christ, regardless of whether you are just starting out or in the middle of your journey. This is such a beautiful place and I've been blessed to be a part of it for so long. I can't imagine where I would be without it. **-Amaris**

WE HAVE THIS HOPE AS AN ANCHOR FOR THE SOUL, FIRM AND SECURE.
